

PROCREATE

Features

At up to 2.8m long with a lifting capacity of 240kg* the PROCREATE is a combination of strength, reliability and style, making it the ultimate sit-stand desk money can buy. It can be customised to your requirements, including blue tooth iphone connectivity to store your individual settings. This healthy and ergonomic way of working can now be used in all Grading, Audio and Editing environments.

Visual showing veneered walnut desktop with solid lipping all round with stop bevel nosing applied to front lipping of desktop.
